Bi-Monthly Memo

Thank you for your concern for this ministry. Thanks, also, for reviewing our letters. We have been told many times our letters are too long, but we never have enough room to tell all that is transpiring. If you are pressed for time, just read the **Victories in the Vineyard**, then take another 30 to 60 seconds to ask the Lord for help with direction and selection. We are off to a fast start this year and trying to keep the pace. There is much to do and no end to people to whom to witness.

Promises for the Pilgrim

"The same came therefore to Philip, which was of Bethsaida of Galilee, and desired him, saying, Sir, we would see Jesus." John 12:21

A few Greek Jews came to Philip and wanted to see Jesus. When Jesus heard, he told the disciples what should be done in order for others to see Jesus in their lives.

Victories in the Vineyard

La Salle County Fair and Wild Hog Festival, Cotulla, TX

The Lord gave us 29 professions in Jesus Christ and some wonderful contacts.

A lady, about our age, maybe even older, came up to us and started telling us about how her daughter had been very rebellious, got into all kinds of trouble and addictions. Then all at once she was a new person. She didn't go through any programs, take classes, neither had been to a church. She just changed. She told her mother that there wasn't any effort on her part to change, she just asked Jesus to save her. Then shortly afterwards the daughter died (long story). Now the mother was asking us, what is all that about? The rest is another long story. The point here: Everyone wants someone like this lady with which to talk.

- * She has seen the worst of sin.
- * She has seen the best of salvation and
- * She knew Who was responsible for it.

She just did not know how to put it all together. That is what a clear witness does.

Who would not drive for a couple of hours, sit in a tin building for an afternoon, just to talk to one person like the above? The good news is there were 28 others, also.

Alamo Market Place, San Antonio, TX

So far in 2015 we have had 10 workers see 23 professions. This is just from the church we attend.

Liberty Baptist and Leon Valley Baptist in San Antonio worked the other weekends with their own results.

Church News

Heritage Baptist Church in Bulverde, TX has merged with Spring Branch Baptist Church in Spring Branch, TX to form Rebecca Creek Baptist Church, Spring Branch, TX, with James Leinneuber as Pastor. The men of both churches did an excellent job with the merge and everyone is excited. When in the San Antonio area, stop by and be sure to ask for Steve and Pat. Hopefully we will be around that Sunday.

Wisdom for Soul Winners and Warners

Everyone wants to be saved!!!

Surely this will come as a shock to some, but it is true. I have proved it hundreds of times. I have asked the hardest of Atheists, Agnostics, Islamists, Cultists and Heathens of all types, "If it was possible to have all your sins forgiven and live forever with a loving God, you would want this, wouldn't you?" They will usually put up a disagreement, but eventually must answer, "Yes, if it was true." This means they want to be saved, but may not want to be saved the Bible way, or do not believe one can be saved. But, they definitely want, although ignorant of, what God offers. This is a wonderful way to insert a witness into the heart of a difficult person.

Prayer and Praise

Thank the Lord for being ever-ready to hear hearts that have fears, concerns and questions and that they are so willing to talk to perfect strangers in the middle of a community event.

Pray for our health: Pat's ruptured disk and knees - Steve's feet and legs.

When Sending Support

Please mail to Heritage Baptist Church. Indicate on a separate slip for whom intended. Our vision for Soul Winning at Public Events is ever expanding. Our support goes up and down. If we report having "Full Support," mark us down as having lost our vision. We need your help to continue to move forward winning the lost.
