

ARE YOU REMAINING FAITHFUL?

Throughout the years, while traveling for legal meetings and preaching, God has allowed me to meet some of the best ministries in America. Not only were they pleasant, kind, and generous people, but they all had one other thing in common—they were faithful to the Lord. Year after year, these dear people faithfully minister to their fellow believers and the unsaved in their communities.

One of the most important things to remember in the Christian life is not to be deterred by what seems to be a lack of results when serving the Lord. He has simply called each of us to be faithful and obedient. I think of the great missionary J. Hudson Taylor who went years without seeing anyone saved on the field, but stayed faithful, knowing that God would bring the increase in His time. Stay faithful to the calling.

1 Corinthians 4:2 states “Moreover it is required in stewards, that a man be found **faithful.**” When God saved you, you became a steward of many things, including the Gospel. As you maintain His calling in your life, one of the most important things you can do is remain faithful. The Scriptures also remind us that an unfaithful man is as bad as a broken tooth and a foot out of joint. Anyone who has had dental issues knows how painful that can be, and the irritation that persists. God wants dependable, faithful people who will carry on without reminders.

We have the honor to help churches who are faithfully running bus routes to give the Gospel out. We help preachers, tract distributors, ministry workers who are behind the scenes, and many others who on this earth may never see the rewards of their labor. But remember that your labor is not in vain in the Lord.

Christian Law Association is here to assist you with legal issues and questions for a variety of items that unfortunately come against us when we serve the Lord. We received a call just last week about a zoning issue a church was having because a bar was wanting to serve alcohol just down the street. A Christian businessman called to make sure he was allowed to play Christian music in his office. We daily receive calls from ministries asking how to prevent them from being forced to perform same-sex unions in their facilities.

Be faithful to pray for these issues and for our nation to turn to God and His Word as the moral compass once again. Pray for revival and for God to receive all the honor. Pray for wisdom for our attorneys and staff to have God’s power as we serve. Pray for safety for our team as they travel around the country for meetings.

You make a difference for the Lord when you stay faithful in prayers, Bible reading and meditation, and continue in your labor of love for Him.

HOLDING FORTH
THE WORD OF LIFE;
THAT I MAY REJOICE
IN THE DAY OF CHRIST,
THAT I HAVE NOT RUN IN VAIN,
NEITHER LABOURED IN VAIN.
