March 2015

Dear pastors/praying friends,

Please remember to keep Doug in your prayers this week as he visits our ministry teammates in Mallow, County Cork, Ireland. During the nine-day trip, he will be helping with an outreach during Mallow's annual Easter festival. Pray for the Lord to soften hearts, that He would open many doors to share the Gospel and for many lives to be changed!

During February and March, the deputation trail has taken us to churches in Georgia, Delaware, Maryland, Pennsylvania, Ohio and Texas. God blessed tremendously on a Sunday morning in the Philadelphia area. After the service, Doug was able to share the Gospel with an elderly man who had been invited to the service by a church member. Although the man had attended “all kinds” of churches, he wasn't sure about his salvation and where he would spend eternity. He had heard about religion, but didn't realize he needed a relationship with Jesus Christ. The man recognized his need and prayed to receive Christ as His Savior, praise God!

We're also excited to share that Evan, our five year old, has joined the family of God! As parents, there's no greater thrill than to see your children come to Christ. We're so proud of his decision. We're also proud of our daughter, Hannah, who prayed with Evan and helped him understand the plan of salvation.

God never ceases to amaze our family with His abundant provision for our needs! For several months, we've been asking you to pray for a responsible tenant for our home in Canton. Last month, we put our home up for rent after enlisting the help of a real estate agent who attends our home church. Within a week, a tenant was secured – a huge answer to prayer! We also praise God for the mission house provided by our church, which gives us a place to stay when we aren't traveling.

Thank you for your continued prayers for Amber and the pregnancy. Both she and the baby are doing very well! At this point, we're preparing for our baby boy to arrive around the first week of June. Amber will be taking a break from travel during the next couple of months to prepare for his arrival. In some cases, Doug will be traveling alone to churches, but we both agree that she needs the rest!

Serving Him,

Doug & Amber Staley
