October-December 2014

Dearest Co-Laborers,

We are finishing 2014 soon while on furlough in the USA. It has been a blessed time of refreshing, getting Medical Check-ups, seeing family especially grandchildren and many who support us in prayer and needs met.

The ministry in Zambia is moving on without us. That is a blessing. Alfred and Pastor Aaron held another ministry conference in Habbanyuka Valley at Victory Baptist Church and Nakampatu Baptist Church. There has been some difficulties there but they are working with the people to resolve the issues and feel confident in prayer they will not be defeated by the Wicked One, that old serpent, Satan. Alfred and his family are going there this week to stay for a while to encourage them.

The Bible Institute housing facility in Kooma Village at Grace Baptist Church is complete. As soon as we have a well for the student support farm this Spring, we will move 2 student families in and begin classes. BEHOLD the building: →

Alfred and Memory have been working with Jacob and Veronica in Nsongwe and the Children's Ministry of Victory Baptist is doing well.

So we are thankful to the Most High God that the people HE has allowed us to minister with are continuing the work of the blessed Lord Jesus by HIS grace and truth, letting their light, the Light of the Life of Jesus in them, so shine. Thus the Father Everlasting is glorified.

Loving Regards in Jesus Emmanuel, Phil and Melody Stephens
